Ordinary Time or ExtraORDINARY Time?

With the Baptism of the Lord Solemnity that we celebrated last Sunday, we have finished our Christmas season. We are trying to recover from all the parties, Masses and cleaning up our decorations. Now we enter into Ordinary Time. Ordinary Time feels like the normal every day Masses that are the filling time until we get to Advent or Lent. Ordinary Time is so much more than the ordinary. Ordinary Time is an Extra ORDINARY TIME.

The United States Conference of Catholic Bishops says that “Ordinary Time is a time for growth and maturation, a time in which the mystery of Christ is called to penetrate ever more deeply into history until all things are finally caught up in Christ. The goal, toward which all of history is directed, is represented by the final Sunday in Ordinary Time, the Solemnity of Our Lord Jesus Christ, King of the Universe” (usccb.org).

The goal is to focus on everything that makes Christ the King. I am writing this letter on a Wednesday and I had Mass with our first and seventh grade students today. After most Masses with the students from our school I finish the Mass and then go ask them questions about the readings, homily and if there is a saint of the day. I am working with them to look at my vestments and notice the color differences. Today was an Ordinary day, which means I was wearing a green vestment. I asked them what does Ordinary Time have green as it’s color? One student in the first grade said, “Nature.” I said, “yes, that’s perfect.” And it really is because Ordinary Time becomes extraordinary time when we grow in our faith. The young girl saw that it reminds us of how things are growing in nature.

For us, now is the time to do the hard work so that we can grow spiritually. Usually we come up with a spiritual action plan for Lent and sometimes Advent. We give up something or we do something to help us grow. We are always working on ourselves and in need of growing in awareness of our love of God and seeking the grace to live like Him. It is easier to change ourselves or give up something during these shorter seasons, but our faith life is the marathon, not the sprint.

The way we approach our spiritual life is the way that we take care of our plants. They need water, food, good soil and sunlight. Our spiritual life is no different. We need water through the grace of our baptism, food in the Eucharist, good soil in Sacred Scripture and sunlight in the community at Church. For this Ordinary Time, lets grow! The best way is to do small, simple and attainable things every day. Read one quote from scripture, finish the day with an Our Father, keep holy water in your homes and go to Mass each Sunday. Have small spiritual goals such as going to the Adoration Chapel once a week. There is no one way to do it, but don’t get stagnant during Ordinary Time, make it EXTRAORDINARY!

God Bless,

Fr. Ginter
Bethlehem Art Works at
St. Hilary February 9-10

Beautiful hand-made olive wood religious articles made by Catholic families in Bethlehem and Jerusalem will be on sale on the second weekend of February the 9th and 10th after all the masses. Bethlehem Artworks is a non-profit organization that provides assistance to over 100 plus suffering families each week. Please stop by our tables and take a look at our beautiful handmade rosaries, statues, crosses and nativities. They will make a wonderful present for family and friends; or an opportunity to add a beautiful hand carved religious item for your home to be cherished through generations. The religious articles are made by the suffering Christian families in the Holy-Land, and are their means of spreading the word of Jesus, a goal that began two thousand years ago.

The Christian population in the Holy Land has dropped to under 2%. Crafting the religious articles is the primary means for providing for the livelihood of Christian families in the Holy Land.
