Our future Catholics and the “Scrutinies” of Lent

Sunday, March 24, 2019

Dear parishioners,

Each year, thousands of adults and teens join the Catholic Church, most going through the RCIA process: the Rite of Christian Initiation of Adults. This is a journey which enables converts to the faith to fellowship with other searchers, and to pray, volunteer, study, engage in faith sharing, discuss the Bible, and ask questions in a context that is delightfully mixed and helpful. Cradle Catholics are often part of the group, as sponsors or catechists; converts are often not baptized in any other Christian denomination, but feel (as I did back in 1977) a call, an attraction, a tug toward a Church not based on skin color, income, political party, or country of origin.

Part of the RCIA journey involves the “Scrutinies,” which take place the Third, Fourth, and Fifth Sundays of Lent. At Saint Hilary Parish we celebrate the Scrutinies at different time slots, thus exposing the people to a conversion call meant not only for our future Catholics in the RCIA, but for the entire community, as you see from these words from the official Rite of Christian Initiation of Adults:

“141  The scrutinies, which are solemnly celebrated on Sundays and are reinforced by an exorcism, are rites for self-searching and repentance and have above all a spiritual purpose. The scrutinies are meant to uncover, and then heal all that is weak, defective, or sinful in the hearts of the elect; to bring out, then strengthen all that is upright, strong, and good. For the scrutinies are celebrated in order to deliver the elect from the power of sin and Satan, to protect them against temptation, and to give them strength in Christ, who is the way, the truth, and the life. These rites, therefore, should complete the conversion of the elect and deepen their resolve to hold fast to Christ and to carry out their decision to love God above all.

“142  Because they are asking for the three sacraments of initiation, the elect must have the intention of achieving an intimate knowledge of Christ and his Church, and they are expected particularly to progress in genuine self-knowledge through serious examination of their lives and true repentance.

“143  In order to inspire in the elect a desire for purification and redemption by Christ, three scrutinies are celebrated. By this means, first of all, the elect are instructed gradually about the mystery of sin, from which the whole world and every person longs to be delivered and thus saved from its present and future consequences. Second, their spirit is filled with Christ the Redeemer, who is the living water (gospel of the Samaritan woman in the first scrutiny), the light of the world (gospel of the man born blind in the second scrutiny), the resurrection and the life (gospel of Lazarus in the third scrutiny). From the first to the final scrutiny the elect should progress in their perception of sin and their desire for salvation.

“144  In the rite of exorcism, the elect, who have already learned from the Church as their mother the mystery of deliverance from sin by Christ, are free from the effects of sin and from the influence of the devil. They receive new strength in the midst of their spiritual journey and they open their hearts to receive the gifts of the Savior.

“145  The priest or deacon who is the presiding celebrant should carry out the celebration in such a way that the faithful in the assembly will also derive benefit from the liturgy of the scrutinies and join in the intercessions for the elect.”

From the Rite of Christian Initiation of Adults, prepared by the International Commission on English in the Liturgy and the Bishops’ Committee on the Liturgy, the National Conference of Catholic Bishops.

Father Brown
Are you or someone you love dealing with separation or divorce? The Archdiocese strives to make known Christ’s healing love, so that all who suffer from separation and divorce might experience new life, reconciliation and restoration, meet people in a similar position and find help to rebuild their own lives.

We also recognize that separated and divorced people are not mere recipients of the Church’s compassion; they are ministers of that compassion. Through their vulnerability, suffering, courage, faithfulness, and patient endurance they bear witness to Christ and his redeeming grace in the world.

**Archdiocese of San Francisco 2019 Archdiocesan Annual Appeal**

The Archdiocesan Annual Appeal (AAA) provides parishioners throughout our Archdiocese a unique opportunity to come together. Through AAA, the over ninety Parishes in our Archdiocese unite as one! The AAA is essential to the work of the Archdiocese of San Francisco.

Although we are spread over the counties of Marin, San Francisco, and San Mateo, we are one Archdiocese, collaborating in the Ongoing mission of evangelization and education. The theme for this year’s Annual Appeal is “I will show you my faith by my works.” Together, we are able to demonstrate our faith through the AAA by supporting such critical needs as youth and young adults, parish schools and students, social ministries, ecumenical efforts, and greater Church.

**Teacher’s Corner**

I chose to be an educator in a Catholic School because of my family and my own Catholic education. A very religious Italian Catholic family based in tradition was my starting point. I had great role models in my mom who taught for over 30 years in San Francisco, and her brother Father Francis Filice, a Professor at University of San Francisco.

Having a Catholic Elementary School and High School education was the most significant factor for me to teach in a Parochial School. I wanted to continue the experience I had grown up with, but make it better and even more alive for my students. In the second grade, students make their First Reconciliation and Holy Eucharist Sacraments so I get to teach them all about the wonderful world of Catholicism that lies before them! They are able to learn about God and the world He made for us in exciting, creative ways.

We learn steps to make good life choices/decisions ("Stop-think-pray-act"), and study the words of great saints and spiritual leaders such as Mother Teresa ("Every Act of love is a work of peace, no matter how small.") to better their lives. I just LOVE what I do. It's a calling. A passion. A journey. Each year, the 2nd graders and I start our journey that I hope lasts for the rest of their lives. I want my students to feel a lifetime passion to care as strong as I do. That's what keeps me going – that, and they laugh at my jokes, which is always a plus!

Second Grade Teacher
