Saint Hilary of Poitiers († 360 A.D.)
Altar Servers Needed!

If you are in 4th grade or older, we invite you to please contact Diana here at the rectory, so you and one of your parents can take part in a training session with Father Brown.

To celebrate Sunday Mass, we always need a variety of ministries (e.g., lector, choir, Eucharistic minister, usher, master of ceremonies, cantor, greeter, priest), and becoming an altar server is a blessing not only for you, but for the priest and your parish family.

Please talk about it with your family, and then call Diana at 937-5524 to schedule a training session with one of your parents and our pastor. During the summer, we are in special need of new recruits. If you want to train with a friend, even better!

Dear parishioners,

Down the little hallway, right between our church and our parish hall, you can always walk into the Blessed Sacrament Chapel which is never locked. Even if there is noise in the church, the chapel will be silent, because people go there precisely to take part in Eucharistic Adoration, to meditate, to be with Jesus in silence, and to let him speak words that might comfort, correct, encourage, shake up, or inspire.

Such is the value of silence, and such is the reason for taking time out for listening. We see this very same beautiful and sacred dynamic in today’s famous and beloved Gospel pericope:

Jesus entered a village where a woman whose name was Martha welcomed him. She had a sister named Mary who sat beside the Lord at his feet listening to him speak. Martha, burdened with much serving, came to him and said, “Lord, do you not care that my sister has left me by myself to do the serving? Tell her to help me.” The Lord said to her in reply, “Martha, Martha, you are anxious and worried about many things. There is need of only one thing. Mary has chosen the better part and it will not be taken from her.”

(Luke 10:38-42)

This listening is also a good reason for arriving early for Mass, whether you come each day, or each week: by coming in before the liturgy begins, you have the chance to pray (in the chapel, or in the church), settle your mind, lift up to Jesus your cares and joys, and not be running around in a hectic fashion.

This listening is, in addition, why it’s important to turn off all rings, notices, sounds and buzzers on your mobile devices before coming into the church building. Unless you are a paramedic on duty, it’s okay to unplug from these modern gadgets and allow your neighbors—and yourself—to enjoy some sacred time without beeps and buzzers going off during something as important as the Holy Sacrifice of the Mass.

This listening is why many of your bring your own missal, or cell phone app, to read along while the lector or priest proclaims God’s Word: you care enough to be attentive to the Bible readings, but perhaps you find it helpful to read along as you listen (I, for example, cannot understanding oral directions without looking at a map as well). In short, take some time this summer to experiment, and see what brings you greater joy and peace in your Christian journey: spending silent time in the Blessed Sacrament Chapel, arriving early for Mass, staying after Mass for some meditation, or using a nice spot at home to listen for what Jesus might be saying, and saying just for you.

God bless you and yours,

Father Brown

Removal of Dead Trees & 
Brush Vegetation at St. Hilary!

Over the past several summers St. Hilary has been removing dead and dying trees and brush vegetation on the hillside above the campus as our budgets would allow. Our property contains a small forest of trees, many of which are located on the steep slope above the campus or the bench land above. A good number of the trees, almost all of them pines, have reached the end of their lives because of age or disease. This summer we’ve continued this program and have in fact beefed it up in recognition of the terrible wildfires that have ravaged our neighboring communities during the past few years. We have done this with the help of Brooks Tree Care owned by arborist Peter Brooks a long time St. Hilary parishioner and friend. We have encouraged some of our adjoining neighbors on Via Paraiso West street above the campus to also clear their lands of potential fire fuel, and to make this easier, we have allowed them passage across St Hilary property to carry away the woody debris. The success of our campaign this summer resulted in a several mountains of tree branches and brush stored temporarily on the flat portions of campus until the wood debris could be processed through Peter’s chipping machine. The accompanying photos provide some idea of the magnitude. As a responsible steward of its land, St. Hilary will continue removal of potential fire hazards on campus.
The St. Hilary Tiger says:

"No one can make you feel inferior without your consent."

Think about it…
