**Altar Servers Needed!**

If you are in 4th grade or older, we invite you to please contact Diana here at the rectory, so you and one of your parents can take part in a training session with Father Brown.

To celebrate Sunday Mass, we always need a variety of ministries (e.g., lector, choir, Eucharistic minister, usher, master of ceremonies, cantor, greeter, priest), and becoming an altar server is a blessing not only for you, but for the priest and your parish family.

Please talk about it with your family, and then call Diana at 937-5524 to schedule a training session with one of your parents and our pastor. During the summer, we are in **special** need of new recruits. If you want to train with a friend, even better!

The Church gathers in the Church as the Church asks, so the Church can worship God faithfully each Sunday!

Sunday, July 28, 2019

Dear friends in Christ,

In the beginning, the word “Church” was used to describe us, God’s own people, who had been baptized in the name of the Trinity and who followed the way of Jesus.

Naturally, the meaning of the word would develop over time, to include the Magisterium, that is to say, the teaching office of the Catholic Church — the Bishop of Rome and the Bishops throughout the world in communion with him. As Bishops, it was their duty and privilege to serve God’s people as leaders, sometimes giving their very lives in defense of the faith, and passing on to all Christ’s sisters and brothers, especially new converts, the Catholic faith.

Eventually, the word would embrace also the building in which we gather faithfully each Sunday in obedience to God’s commandments, a building named after us, the Church. The building, the Church, was a holy place for God’s holy people, where the Sacraments were celebrated, always in communion with the Bishop of Rome — the little piece of the consecrated Host the priest puts into the chalice is a reminder of the fact that we must indeed be in communion with the Pope, as this was the way the ancient Christians of that city would show their unity: a piece of Eucharist from the Pope’s Mass would be brought to all the outlying Churches, as a visible reminder that we are not Congregationalists, but Catholics, a family that extends to all corners of the world.

On a practical level, this means we must “bear with one another lovingly,” especially when the need for fellowship and the need for sacred silence bump into one another. Here in Tiburon, we are blessed to have a solution: those desiring quiet can use the Blessed Sacrament Chapel (which is never locked), not only before and after Sunday Mass, but throughout the week. Those asking neighbors how they are doing can enjoy fellowship without disturbing the silent prayers of others who might be going through a rough time.

May God bless you and yours,

Father Brown

The Archdiocesan Annual Appeal (AAA) provides parishioners throughout our Archdiocese a unique opportunity to come Together. Through AAA, the over ninety Parishes in our Archdiocese unite as one! The AAA is essential to the work of the Archdiocese of San Francisco. Although we are spread over the counties of Marin, San Francisco, and San Mateo, we are one Archdiocese, collaborating in the Ongoing mission of evangelization and education. The theme for this year’s Annual Appeal is “I will show you my faith by my works.” Together, we are able to demonstrate our faith through the AAA by Supporting such critical needs as youth and Young adults, parish schools and students, social ministries, ecumenical efforts, and greater Church.

Immerse yourself in Easter joy,
Removal of Dead Trees & Brush Vegetation at St. Hilary!

Over the past several summers St. Hilary has been removing dead and dying trees and brush vegetation on the hillside above the campus as our budgets would allow. Our property contains a small forest of trees, many of which are located on the steep slope above the campus or the bench land above. A good number of the trees, almost all of them pines, have reached the end of their lives because of age or disease. This summer we've continued this program and have in fact beefed it up in recognition of the terrible wildfires that have ravaged our neighboring communities during the past few years. We have done this with the help of Brooks Tree Care owned by arborist Peter Brooks a long time St. Hilary parishioner and friend. We have encouraged some of our adjoining neighbors on Via Paraiso West street above the campus to also clear their lands of potential fire fuel, and to make this easier, we have allowed them passage across St Hilary property to carry away the woody debris. The success of our campaign this summer resulted in a several mountains of tree branches and brush stored temporarily on the flat portions of campus until the wood debris could be processed through Peter's chipping machine. The accompanying photos provide some idea of the magnitude. As a responsible steward of its land, St. Hilary will continue removal of potential fire hazards on campus.
