Eucharistic Adoration is one of the greatest forms of prayer that we have in our Church. It is an encounter with our loving God that we get to spend personal time, face to face, heart to heart with Him. For me, the first real experience I had of God was in Eucharistic Adoration the first time that I was in Lourdes. I was a senior in college and I went on a discernment trip. I went to confession and my penance was to sit in front of the Blessed Sacrament for a few minutes. When I went to Adoration, I prayed to God to know my Vocation and I had an overwhelming sense of peace that God wanted me to become a priest. For me, it was spending intimate time with our Lord, making myself vulnerable and sitting in the wonderful silence that I heard what the Lord so desperately wanted to tell me. Adoration has been a great gift to me. Many people in our parish are taking advantage of this wonderful form of prayer, in our Blessed Sacrament Chapel.

As many of you remember that our chapel was closed during the month of August. Through the generosity of some of our parishioners, the chapel has been beautifully renovated. We extend our gratitude to them. I invite you to go take a look and spend a few minutes with our Lord.

To celebrate the new chapel renovations, we are having the chapel blessed and rededicated on Saturday, November 3rd by our Auxiliary Bishop, Bishop Robert Christian, O.P. There will be a few things going on that day. First, from 2-4pm, I will hold a mini retreat day in the Church to teach on How to Pray an Holy Hour in front of the Blessed Sacrament. When I entered seminary, no one showed me how to pray in front of the Blessed Sacrament until my third year. There are many ways to pray, but we also have traditions and practices that help us to hear what God wants us to hear. From 4-5pm there will be a break and then Bishop Christian will celebrate the 5pm Mass. After the 5pm Mass Bishop Christian will bless our chapel.

Please join us for this afternoon of prayer and this wonderful event in the history of our parish. Also, we would like to have more people sign up for Adoration through the week and in particular for First Fridays. First Fridays are when we have 24 hour Adoration. The more people we get to pray, the more get to know our Lord and receive His graces.

If you have any questions about Adoration, about signing up for a timeslot during the week or for First Fridays please email the chair of our Eucharistic Adoration Devotion, Shawn Sylvia, at ssylvia@sbcglobal.net.

We thank you for considering spending some time with our Lord in the Blessed Sacrament.

God Bless,

Fr. Ginter
The Archdiocese strives to make known Christ’s healing love, so that all who suffer from separation and divorce might experience new life, reconciliation and restoration, meet people in a similar position and find help to rebuild their own lives. We also recognize that separated and divorced people are not mere recipients of the Church’s compassion; they are ministers of that compassion. Through their vulnerability, suffering, courage, faithfulness, and patient endurance they bear witness to Christ and his redeeming grace in the world.

New Beginnings: a Catholic Divorce Ministry group in Marin (St. Hilary Parish) meets the 2nd Friday of the month (6:30pm) – contact Karen (415-250-2597).
A Spanish-speaking group meets at Our Lady of Loretto/Novato the 3rd Friday (7:00pm) – contact Victoria (702-460-3116).

Eucharistic Adoration Chapel
Our Lord is waiting for you in our Eucharistic Adoration Chapel! During the 40 Days for Life, please consider bringing a friend to pray ~ 15 minutes could change a life.

As promised last week, more history about the Blessed Sacrament - Containers
As monasticism changed from solitary to community life, the custom of Fermentum was extended to the working monks. They would have the Species on their person in the fields or on a voyage. It was carried in a small receptacle (chrismal) worn bandoleer fashion, or in a tiny bag (parula) tied around the neck under the clothing. Irish and English manuscripts describe this custom used to provide the Eucharist when needed away from the home monastery. As early as 325 AD (Council of Nicea) we know that the Eucharist was also reserved in the churches, monasteries and convents. Again, the main reason was for availability for the sick and dying, and Fermentum. It was kept in a special room, just off the sanctuary, but separated from the church where Mass was offered. (Next Week: Pyx)

If you would like to sign up for a specific Holy Hour in our Eucharistic Adoration chapel. Contact Shawn Sylvia: SSylvia@sbcglobal.net.
