# I SHALL BE RELEASED:

AN UNFORGETTABLE NIGHT CELEBRATING THE HEALING POWER OF

# MARY, MERCY & MUSIC

Celebrate Blessed Mother Mary and learn the power of forgiveness. Hear Captain Guy Gruters talk of being tortured as a POW in Vietnam, finding Mary and forgiving his tormentors. We will then blow the church roof off with the musical talents of Narada Michael Walden—who has produced 57 #1 hit singles. Rounding out the special guests is Nicole Lataif, award-winning author of the children's book *I Forgive You*.
